SA 6 - IAC 641-131 EMS Provider - Initial Certification – Renewal & Reactivation – Authority – Complaints & Investigations & Iowa EMS Provider Scope of Practice Workshop

October 29, 2020 1:00-2:15 PM

<https://us02web.zoom.us/join/register/tZMvdOqpjkrGNXfJBPhHksJ7cLrhErObnDa>

Workshop Purpose: In this virtual presentation Bureau staff will introduce new IAC Chapter's 641-131 & the Iowa Scope of Practice (September 2019)

-
- Summarize IAC Chapter 641-131 and discuss the benefits it will bring to processes for initial certification, renewal and reactivation of an inactive certification
- Introduce new "Iowa EMS Scope of Practice" September 2019 document and Explain why Iowa has a scope of practice and show participants how to use the new document and correctly interpret which skills EMS providers are authorized under Iowa Administrative Code to perform.

All participants wishing to receive continuing education for this workshop must pre-register. All of the registration fields are mandatory in order to receive continuing education and the participant must attend the entire presentation to receive a certificate of completion with the sponsor number from the Bureau of Emergency and Trauma Services.

This workshop is expected to last 1 hours and it will be recorded so those who can't attend will be able to view it at a later date.
